You want to know, is there a better place than where you are, though? Only look a little further off one of the greatest things we have to learn, is to make life today without worrying about tomorrow. Don't run around looking for happiness, do it all the time you can, and happiness will run around looking for you.

## Serious Fire at Glenelg

\$50,000.00 DAMAGE

Glenelg was visited by a bad fire about 3 a.m. on Sunday morning, when damage was done to the Glenelg Mercantile Co. and the Glenelg Furnishing Co. buildings were entirely destroyed by their contents. The contents of the two buildings, consisting of the families of Mr. and Mrs. Allen, and Mr. and Mrs. Katers, had only time to escape in their night clothes.

The Call Office and the Revelator Lumber Co. buildings were saved by the fire.

The cause of the fire will probably be never known. The fire in the Glenelg Mercantile general store was very large when it broke out at 1 o'clock Saturday night, and the fire was discovered burning fiercely in the corner of the store. It was at once apparent that the two blocks which adjoin were doomed. Particularly, there was very little wind and from the west, which carried the heat and flames away from the two nearest buildings on opposite corners. Both of these were heavily damaged.

It was estimated that the loss, including the loss of the two blocks which adjoin, was about \$50,000.00. The loss, as near as can be learned, will amount to about \$50,000.00, made up as follows: Glenelg Mercantile Co., \$25,000.00; The Henderson, Glenelg Mercantile building \$7,500.00; The P. J. Johnson, furniture store building \$7,000.00; Glenelg Furniture Co., Johnson, house furniture store and household goods, \$2,000.00; The insurance on all is estimated to be in the neighborhood of \$28,750.00; the Glenelg Mercantile Co. holding the greatest portion. Messrs W. J. Kidney, O. H. Hargreave and C. W. King, of Glenelg, being the owners of this store.

## Town Council Meets

Strathmore Town Council, at their meeting last Tuesday, had under consideration, the financial statement for last year, as prepared by Mr. W. D. Staines, auditor. The statement was generally satisfactory, and will be published in an early issue of the Standard, as required by law.

There was a discussion of the plank walk debentures there will be a deficit in the sinking fund of about \$100, caused by property falling into arrears of taxes. Means will have to be devised to meet this.

It had been taken from the park fund and used on general account, and this will have to be replaced.

Mr. P. H. Lilly was appointed assessor for the year, and Mr. T. M. Weers as Town Solicitor.

## Rose Carnival a Success

Despite the cold weather there was a large attendance at the Rose Carnival held in the Memorial Hall on Friday evening, and there is no doubt that if the results had been left to the fair play of the public the hall would have been taxed.

The fair was provided by the Strathmore athletic association. The decorations were exceptionally good and the refreshments served to the members of the Strathmore Athletic Society, who resided in carrying them. The proceeds were carried through all the decorations, even down to the tea room.

At midnight Miss Eva Pope was escorted by popular ballad as "Queen of the Carnival," and was crowned with becoming dignity by Mrs. L. G. Smith. Miss May Butler being the accompanying maid.

The audience achieved their desired object of giving everyone a good time, and just breaking even, being able to do this in the time being devoted to the purchase of a bag of candies for the kids.

## D.F.A. Meeting

A meeting of the D.F.A. was held in the King Edward Hotel on Saturday last.

Mr. W. H. Watson, president, in chair. A letter was read from Mrs. Punoche, accepting the invitation to visit Strathmore on March 11, for the purpose of forming a branch of the D.F.A.

Mrs. Punoche is well known in the D.F.A. circles and has done a lot of good work for the organization, and we hope that all farm women will attend the meeting on March 11, in the children's class. This is to be a joint meeting of the D.F.A. and the Farmers' Union. An interesting meeting is assured, and refreshments will be served.

## Springs of Business Activity

The Alexander Hamilton Institute, New York, has produced a booklet, "The Springs of Business Activity," which is a study of the business situation in the United States, during the first stage of the recovery from the depression.

"What should be the relation of the individual to the community in modern civilization? Many philosophers and statesmen have tried to answer this question, and in the end, I am not a philosopher, but a business man, and my answer is: In the immediate present."

"The world is now in a state of transition, and it is not a philosopher, but a business man, and my answer is: In the immediate present."

## WORLD HAPPENINGS BRIEFLY TOLD

A London cable says the Russian courts are imprisoning persons who borrow books and do not return them. The Government of Montreal has ordered a loan of approximately \$2,000,000 for the calendar year, according to information available. There was an earthquake in the city of 11,200,000, the heaviest of the deficit being made up by food charges and depredations.

The insurance tax, which is due in the port of Paris, has been fixed at a record total for 1921, \$7,000,000. France having been collected, compared with \$2,200,000,000 in 1920.

Germany's railways have been re-ordered almost to a normal previous basis, according to advice received by the department of commerce. Washington. Conditions are steadily improving.

Lord P. Lonsdale, former minister of the region, died in a speech at Paris it was his belief that France would never be able to pay a cent of her debt to the United States.

William Bennett, manager of the Greenbank Bank, New York, was robbed of \$22,000 in currency by three gangster bandits who looted the bank in 1921, which he was transporting the money in a downtown bank. The robbery was witnessed by a woman who later said she believed she was witnessing the taking of a nation's treasure.

## Alberta's Seed Fair

Oats and Wheat Against Foreign, Says Judge F. S. Grisdale

Never has there been such an exhibit of grain in Alberta, both as to quality and quantity, as is shown at the provincial seed fair held in Edmonton, stated F. S. Grisdale, following the completion of the fair, to judge at that fair. In some of the oat classes the first four prize winners were no closer than the twentieth might have been received without much criticism. There were almost perfect, he stated.

There was true of both oats and wheat, and compared most favorably with the first prize winners at other seed fairs. There was a splendid exhibit of alfalfa seed, some of it though not all from the irrigated districts. One sample that came into the fair money was grown near north of Vermilion, and it was suggested by Mr. Grisdale that it should not be grown in such a seed, as it should be put on a commercial scale.

## Ontario Loss in Oat Crop

Cost Farmers More to Raise than the Selling Price

That the oat crop raised in Ontario last year actually cost the farmers of the province more to raise than the selling price has been found to be indicated in a striking manner by the results of the recent competition. Young farmers from eight counties competed and only one, Cecil Kester, of London and Adolphus, was credited with a profit, and then only \$7.32.

The results with potatoes showed better profits, ranging from \$5.75 to \$25.00 on the acre.

## WHAT DOES YOUR MIRROR REVEAL?

Does it Tell You That Your Blood is Thin and Watery?

When a growing girl becomes pale, complains of exhaustion, dizzy spells, headache and stomach trouble, she should know that these things are evidence of anemia or bloodlessness. A shower in the morning will tell the story. There is immediate need for a tonic system builder that will completely restore the missing qualities of the blood that every part of the body will share in the benefit.

A good example of the result of the treatment in cases of this kind is given by Mrs. George R. Smith, of Greenport, N.Y., who says: "I can not praise Dr. Williams' Pink Pills too highly what they have done for my three daughters. My eldest daughter, Edna, at the age of 17, became run down, and I put her through boxes of the pills, and by the time she had taken them she was in good health, and is now a healthy married woman."

My second daughter, Martha, at the age of 16, was really run down and pale. In fact she had always been a delicate child, but gradually became worse. At last she could not go any longer without having to go to bed, and could not even do my kind of light work without being greatly fatigued. Finally I gave her Dr. Williams' Pink Pills, and after taking them we found they did her some good, and that all the other medicine she had taken, and she is now in good health. Then, my youngest daughter, Irena, now 15, became so run down that she had to stop going to school. But after taking eight boxes of the pills she is now a big healthy girl. I feel that after what Dr. Williams' Pink Pills have done in my home, I can not doubt of their value, and I hope someone else will benefit from our experience."

You can get these pills through any dealer in medicine or by mail postpaid at 50 cents a box or six boxes for \$2.50 from Dr. Williams' Medicine Co., Brockville, Ont.

## Cream Lace Lightens Black Satin Frock

By Marie Belmont

Black tints is the fabric for spring and since it is developed with the new style of circular movement the effect is charming indeed.

The frock above of soft black satin falls individually in its folds of cream colored rayon lace and its attractive metal girde. The circular effect is suggesting and promises wide popularity. A compromise of this made is sometimes seen in circular folds at either side.

Veritably, dresses may be built around fancy girde this spring. The girde here is of two slender silver chains encircling at intervals square ornaments containing fastened stones.

## First Stamp Dealer Dies

Had Been Conducting Prominent Trade in London Since 1880

London's first stamp dealer, William Simpson Linnell, has died at the age of 78.

When at school in 1841, Mr. Linnell began collecting, and became the possessor of about 210 varieties, which he kept in a small book. Two years later he began exchanging with a fellow collector, and this was soon followed by ventures in dealing. From 1860 onwards he took a prominent part in the trade, conducting his business from a small shop in High Holborn. Over twenty years ago he moved to his present premises.

In Italy in the middle ages a great artist was generally commissioned to decorate the church in which the bride's nuptial feast and personal be- longings were to be stored, and some of these beautiful works of art survive to this day in the old Italian palaces to which they were brought by survivors of the present war.

# Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

## What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Purgative, Drops and Soothing Syrup. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulence, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. Looks for Linkup Up Canada with London and Melbourne

Addressing the Canadian Club at Toronto, A. H. Morse, general manager of the Marconi Company, said he would be greatly disappointed if, within two years, there was not direct wireless service between Montreal and London and between Vancouver and Melbourne, Australia.

Mr. Morse said a wireless or electro-magnetic wave passed around the earth in a little less than one second of a second. There was no need, he said, for any point on the earth to be out of immediate telegraphic touch with any other point. Transmission of power by wireless, though, was not yet a common-place success.

## The Policy of Delay

Germany Hoping to Get Out of Reparations Payment

The prolonged shuffling and repeated delays of the German government in the matter of repaying reparations have all the marks of a policy deliberately calculated. To gain time, to tire the allies, to delay that something better may turn up in the course of accidents—these have been the obvious motives. We are now more than two years from the signing of the treaty of peace. In that period Germany, with a population of 60,000,000, has paid only about half the sum which France, with a population not much more than half hers, paid to Germany in the two years following 1919—New York Times.

## CORNS

Lift Off with Fingers

Doesn't hurt a bit. Drop a little "Preventer" on the corn, and it will lift off with your finger. Try it!

Your daughter will say that "Preventer" for a corn is sufficient to remove a very hard corn, soft corn, or corn between the toes, and the same, without soreness or irritation.

## Did you ever try Grape-Nuts? with stewed prunes or peaches?

THERE isn't anything better for breakfast or cereal than Grape-Nuts with cream, or milk, and stewed prunes or peaches.

This delicious combination gives you the elements of a well-balanced food. For it contains not only the material needed to build tissue and furnish energy, but it also supplies fruit acids, that help keep the system in good order.

Go to your grocer today and order a package of delicious Grape-Nuts. You will find that it will digest more readily than most other cereals, and it will "stay by" you longer—because it's so richly nourishing.

OF LOCAL INTEREST  
Readers are requested to send in items for this column not later than 12 o'clock Monday noon preceding day of publication. All local news items are welcomed by the Standard, Phone 17 or 68.

Bills are now on for the Tenants Club where drive and dance to be held in the Memorial Hall next Tuesday evening. Numerous and valuable prizes are being offered, and there will be lovely competing for. The committee in charge are doing everything in their power to make this a most interesting and profitable night of Strathmore, and there is no doubt that there will be a very large attendance.

Don't forget that the Nightingale Pierrots are showing in the Memorial Hall on Friday evening of this week, the concert being followed by a dance. This concert is being generously given by the Nightingale artists for the benefit of the Memorial Hall Building Fund. The Nightingale players are very talented, and with the low admission charges no one can afford to miss this entertainment.

The moral of the Gleichen fire should not be lost on Strathmore people. The same thing is liable to happen here any time, and our fire-fighting equipment is far inferior to that of Gleichen. As a number of debutantes expire this year, it should be possible to take up the provision of a good water system and fire-fighting equipment. It is not so much the amount of the taxes that count, but the benefit we derive from them. The fire wall adventures expire this year, and the fire walls have paid some money in the saving of lives and property to those who are paying taxes on them.

Just Wednesday's attraction at the theatre is a special entitled "Below the Surface" and is a extra good picture. Despite the handicap of bad weather and snow, Mr. Hilde is showing such Wednesday a first-class line of pictures, and deserves every encouragement.

Mr. G. H. Patrick returned from a visit to Eastern Canada last week.

Mr. Alex Gray is now back in Strathmore on his old job in the C.P.R. shops. Mr. Gray will follow as soon as they have secured home repairs.

Mr. James Gura is having shortly in undergo medical treatment. He was a prisoner of war in Germany for a long time, and his health has been undermined ever since. We trust that he will come back restored to health before long.

Mrs. O. F. Brenner spent several days in town last week as the guest of Mrs. Hilde, and took in the town Carnival on Friday evening. The G.W.V.A. Ladies Auxiliary will meet at the home of Mrs. H. Fox, at 7 p.m. March 8.

As will be seen from our advertisement columns The Strathmore Trading Co. are holding a special anniversary sale, commencing today, to celebrate the 11th anniversary of their starting in business under the present management. Mayor Butler has now the distinction of being in business longer than any other general merchant, and is signalling the occasion by giving some exceptional bargains.

At a meeting of the Strathmore Hospital Board it was decided that unless provision could be made for continued support for the hospital that the institution would be closed on April 1st. Before that is done, however, the Municipalities will be consulted, and a public meeting will also be held. The closing of the hospital now would be a calamity, and it is to be hoped that steps can be taken to keep it running, but it is evident that this cannot be done on a voluntary basis.

The funeral of Elsie Florence Gordon, aged five months, took place at Strathmore on Saturday, February 23rd, at 11 o'clock, interment being in Strathmore Cemetery. The service was conducted by Rev. T. Phillips. The parents have shown sympathy in the untimely death of their child.

An enjoyable social dance was held on Strathmore Rink on Monday evening under the auspices of Strathmore I.O.O.F. A fairly good crowd was present. Made was provided by Strathmore Citizens' Band.

## Beiseker Meeting

An informal meeting was held by the rangers of the Beiseker Conservation school district of the south part, the town excluded at Mr. C. F. Lohrke, on February 21st, at 8 p.m. for the purpose of electing the third trustee. The following being present:

Mr. and Mrs. C. F. Lohrke, Mr. Tedor Terns, Mr. Mike Schleppe, Mr. Adam Schleppe, Mr. Bill Schleppe, Mr. Joe Kirschner, Mr. Andrew Schmitz, Mr. Wm. Elliott, Mr. Jim Smith, Mr. J. H. Remnitz, Mr. J. H. Schmitz, Mr. Wm. Elliott as chairman for the meeting, carried.

Moved by C. F. Lohrke, seconded by Jim Smith that J. H. Schmitz, seconded by Mr. Wm. Elliott, act as secretary for the meeting, carried.

After some discussion, asking and answering of questions, the chairman declared nominations in order. Mr. H. Schmitz was nominated by Mr. Adam Schleppe, C. F. Lohrke, was nominated by Mr. Wm. Elliott. On motion by Tedor Terns, seconded by Mr. Bill Schleppe, nominations were closed.

Ballots were prepared and names of the candidates were written on them and the voting proceeded by the marking of the ballot with the sign of an X.

The results were that twelve voted for J. H. Schmitz, 8, C. F. Lohrke 4. J. H. was then declared elected by the chairman.

Moved by Mr. Andrew Schmitz, seconded by Mike Schleppe that the meeting adjourn.

## PROVINCIAL POLICE REPORT

A total of 16,084 cases were handled in police courts in the province during the past year, according to the annual report of the Alberta Provincial Police given to the legislature on Thursday. Of this number the provincial force took care of 6851 cases

and 5233 cases were handled by the city police of Edmonton, Calgary, Lethbridge, Medicine Hat and Regina.

The provincial police are a good record for convictions, obtaining convictions in 35 per cent. of the cases. There were 1225 convictions under The Liquor Act. Uniformed police

handled 1602 of these and the liquor squad 264 of them. There was a decrease of 177 liquor cases from 1929. The force now includes nine officers and 176 non-commissioned officers and men. The provincial police during the year assisted the dominion inland revenue department in handling 111 stills, handling 91 cases under

### IN THE LEGISLATURE

Issued by the Publicity Commission.

Govt. Buildings, Edmonton.

Most of the past week in the legislature has been spent in consideration of various bills on second reading and in committee of the whole. Several measures were advanced to their third reading, including the highway bill, which provides for a highway code, a public and board of river. The bill will become effective as to administration January 1, 1923, but provision is made for the appointment of the roads board in order that they should complete plans for highway construction the coming summer. The board will not have jurisdiction over cities. The bill to guarantee the lands of the United Irrigation district, near Cardston, for 161,000, was passed. The bill to create a labor bureau board and to provide for the appointment of a labor commissioner, was passed also.

Amendments to the domestic animals act were passed, including one providing against running of sheep in closed areas, which caused considerable debate in the house. These amendments were given third reading.

Bills reaching second reading last week included amendment to the brand act providing that the mark of any brand upon stock being the government brand shall not be evidence of the ownership of such stock by the owner of the brand.

Amendment to the agricultural societies ordinance providing for government grant to societies holding plowing matches under certain conditions, was also given second reading.

The bill regarding minimum wage for women was still in the committee stage at the end of the week.

Bills introduced during the week included one by Hon. Mr. Reid to provide for adjustment of assessments, and by Hon. Mr. Brownlee to amend the legal professions act.

Charter amendments for the cities of Edmonton and Calgary are now under consideration by the municipal law committee. These amendments include certain important changes relative to the municipal administration of these cities, among them being one that will provide that the city council act as boards of health, Edmonton asking power to impose an income tax, but this right may be reserved still by the provincial government. The committee has agreed on the clause giving Calgary very wide powers of licensing people and businesses.

Members of the cabinet had well met a delegation from the G.W.V.A. in respect to grant to the association. Last year some \$60,000 was granted to the association for relief work. Premier Greenfield told the delegation that the province was not financially able to meet all requests for grants, and that considerable had been done already in providing work for veterans. He declared that care of the veterans was primarily a dominion government matter.

He praised the work being done by the organization.

Premier Greenfield made announcement last week of his intention to appoint someone specially qualified to make a study of the Bank Act of Canada, in order that the provincial government may make its own suggestions as to amendments when the act comes up for consideration in the dominion house.

### TELEPHONE REPORT

Nearly 100 cities, towns and hamlets are linked up by the Alberta Government Telephone System. It is shown in the annual report of the department submitted by Hon. V. W. Smith, Minister of Railways and Telephones. The total assets of the system are shown at 23 million dollars. The total first estimate for the year was \$2,462,163 and the sum of \$728,000 was spent in operation and maintenance, leaving a surplus of \$11,159,941. The total revenue was \$1,734,163. ## Counter Check Books

Why give your order for Counter Check Books to an outside man when you can get the same goods at home for the same money, with a better service. We are agents for some of the largest Counter Check Book firms in the Dominion of Canada, and will meet any prices you are offered.

The only difference it makes to you is that the commission stays at home instead of going outside.

Phone us and we will show you samples and quote prices.
